MOTION BY SUPERVISOR DON KNABE

May 11, 2010

The Arts Commission will host the fifth Arts for All Progress Report Meeting on May 24, 2010. Held roughly every 18 months, the Progress Report Meeting is an opportunity for community stakeholders to come together and evaluate the advancement of Arts for All: LA County Regional Blueprint for Arts Education. At this year's meeting, there will be an update on what has been accomplished since the last Progress Report. In addition, a 3-5 year plan for the initiative and a leadership model to guide its implementation will be unveiled. For this event, 300 superintendents, teachers, district leaders, community members, artists and arts advocates from across the County will be attending.

I, THEREFORE MOVE, that the Board of Supervisors waive the parking fees for this program at the Music Center in the amount of \$6,000.
